DETAILED ACTION

1. Amendment filed December 12, 2005 has been entered and acknowledged by the examiner.

Allowable Subject Matter

2. Claims 1-13 are allowed.

The following is an examiner's statement of reasons for allowance: While the prior art does disclose a plasma display panel having ribs which partition a substrate into a plurality of red, green, and blue sub-pixels, wherein the ribs have identical widths or wherein the red and green sub-pixels are smaller than the blue sub-pixels, the prior art does not disclose the ribs to have identical widths and the red and green sub pixels to be smaller than the blue sub pixels, nor each of the sub-pixels having an address electrode located its center when the red and green sub-pixels are smaller than the blue sub-pixels. Hence, claims 1 and 8 are allowed. Claims 2-7, 9-13 are allowed as a result of their dependence on claim 1 or 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
